

BLOOMFIELD

Features

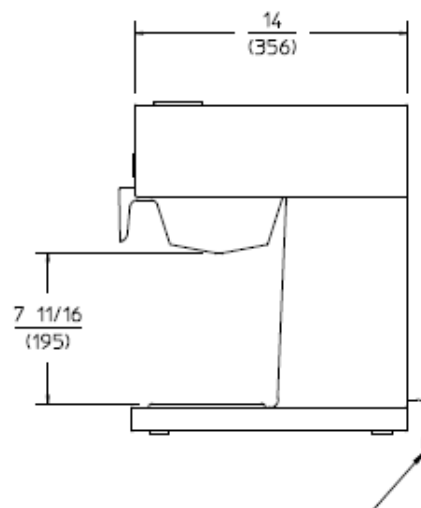

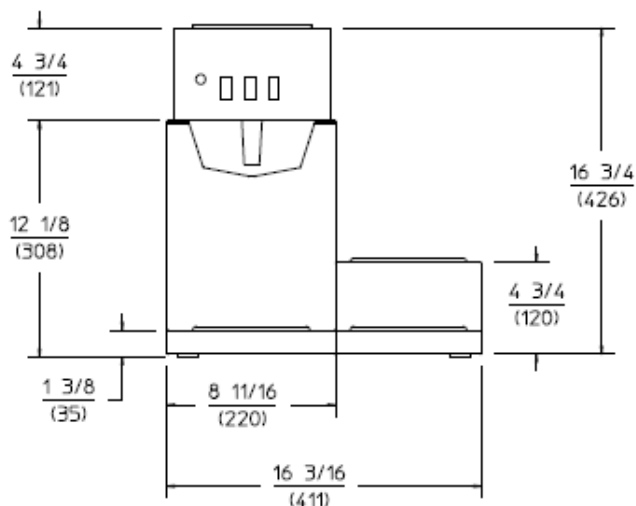

- The Lo-Profile system makes brewing effortless and with its compact size, just under 17", it does it all. The Bloomfield Lo-Profile brewing system, simply worry-free..
- Ready-to-Brew light indicates the proper water temperature to help eliminate the guesswork in brewing.
- *Superior sprayhead design spreads water over the coffee grounds, creating agitation and a floating action that completely saturates the coffee to capture the full, rich essence of every bean.*
- Three warming stations with porcelain enameled warmer plates position decanters securely.
- High quality easy to clean stainless steel construction.
