

BLOOMFIELD

Features

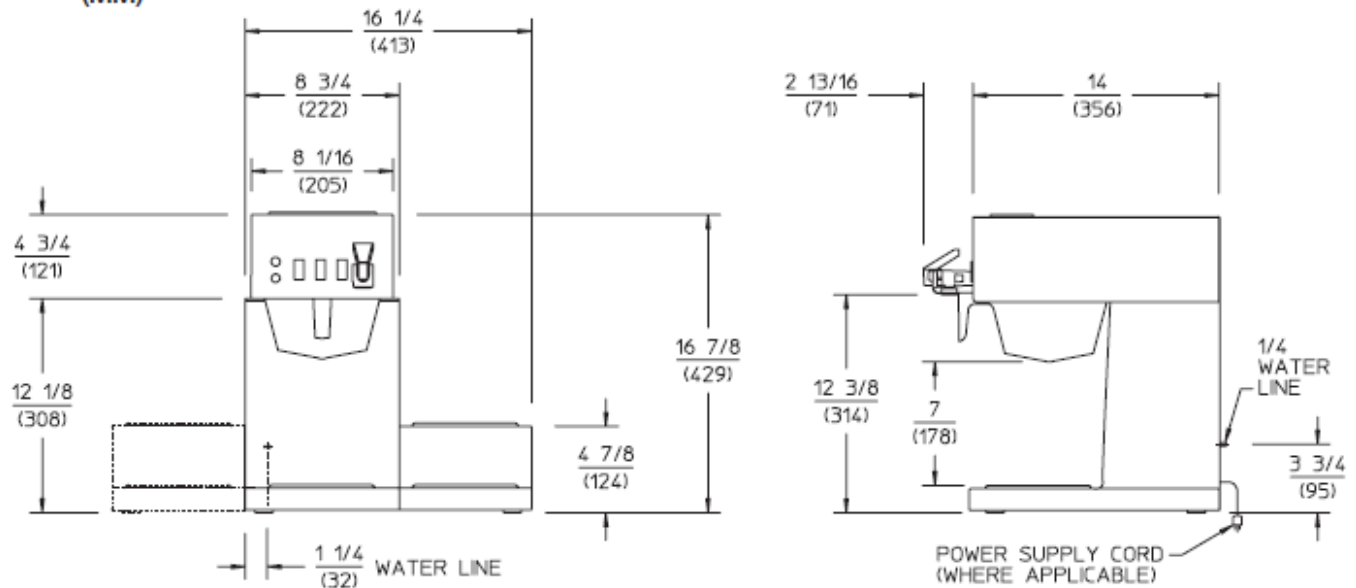

- Automatic water feed, one touch brew.
- Less than 17" tall, the Lo-Profile® is small in stature but big on capacity.
- Ready-to-Brew light indicates the proper water temperature to help eliminate the guesswork in brewing.
- Independent front-mounted hot water faucet allows drawing of hot water without affecting coffee taste or brewing cycle.
- Superior sprayhead design spreads water over the coffee grounds, creating agitation and a floating action that completely saturates the coffee to capture the full, rich essence of every bean.
- Three warming stations with porcelain enameled warmer plates position decanters securely.
